RECTOR'S LETTER

In one of the now-classic Christmas songs we hear these words of John Lennon:

So this is Christmas
And what have you done
Another year over
And a new one just begun
And so this is Christmas
I hope you have fun
The near and the dear ones
The old and the young
A very Merry Christmas
And a Happy New Year
Let's hope it's a good one
Without any fear

When you read this, it will only be early December, and I want to echo John Lennon's words by wishing you all a very merry Christmas (this is, after all, the December edition of Focus!) and I would ask you to pray that it will be a 'good one' and definitely better than last year!!!!

All of which leads me to say that details of our Christmas services appear elsewhere in the magazine, and to invite you to join us – we would love to celebrate this most special of seasons with you.

Now as we begin to turn our thoughts to 2022, one of the things we will be looking forward to is discerning the identity of the person God is calling to be our **new team vicar** to replace Andy Patrick. And the good news is that it has been agreed with our Bishop, Helen-Ann, that the post will continue to be a full-time one, even though a part-time appointment might be more realistic in terms of what we and the diocese can afford in the more difficult financial times that we find ourselves in.

This is, of course, a **great vote of confidence** in us as a parish, (and feels like an early Christmas present!!!), but what the PCC were keen to do was not just make the appointment without giving serious thought to whether it should be a like-for-like replacement or whether things should be tweaked –

and what was agreed was that the shape of ordained ministry in the parish should take something of a new direction, with 50% of the time of the new team vicar being devoted to seeking to establish a new worshipping community (or even communities) in the north of the parish, such as in the New Park area, or even possibly beyond. In other words, there would be a strong missional element to the role – and importantly it was on this basis that the bishop agreed to seek to make the appointment.

I want us to be very clear at this stage that this does not mean a 50% cut in the provision of ministry to St Luke's – but rather that as a parish, as **St John's and St Luke's Together**, we are taking the brave step of committing a lot of our resources to outreach – and not just clergy resources either, because such mission work is inevitably, inherently and essentially a team effort. Now **the scary but exciting thing** is that we don't know exactly what the outcome of this step will be – but the great news is that God does! I for one am absolutely delighted about this development, and I know the PCC are too.

However, there is a big challenge to us in this because as things stand as a parish, we are **not able to afford** making our full share payments to the diocese based on us having both a team rector and a team vicar (the full share for 2022 is £142,000 while we are budgeting on paying £120,000). The bishop is willing to see a temporary shortfall but only on the basis that we work our socks off in the next few years to substantially increase our income. Therefore we need to be praying and thinking how we do this – and make no mistake, it will not be easy and will involve sacrifice – but the bottom line is that because we believe knowing Jesus is the best gift anyone can receive, supporting mission in this way should be our gift to our parish and our town.

Thus, in the New Year we will be asking people to look prayerfully once again at how much they can give to the mission and the ministry of the parish. In addition, we will be urgently seeking to identify a small group of people to make grant applications on behalf of the PCC (volunteers welcome) so we can continue to fund our Young People's Worker post beyond March 2023 when the current funding runs out.

For all these reasons, the **church prayer meeting on 11th January** will focus on praying for the new team vicar and on our financial situation. Please come along if you possibly can – 7.30pm at St John's.

As I close, I want to say that, humanly speaking, it looks a tall order for us to fund the level of ministry we want to see, but we need to remember the words of the angel to Mary, *'For nothing is impossible with God'*.

Blessings

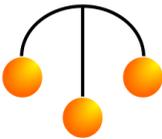

Simon

QUESTION CORNER

Q. It's St Nicholas's Day on 6th December. But what do we know about him, and his connection with Christmas?

A. We know very little. He was Bishop of Myrna around 300 AD. He is the patron saint of Russia, and of sailors and children. Also known as 'Santa Claus' (from Niclaus) he gave gifts to children on 6th

December. His symbol is three bags of gold, which he gave to three girls to 'save them from degradation'. We're not sure what that means, but odd stories grew from that. Some said that he threw bags of money through the open window of a cottage, to help poor people. Some added that the bags fell into stockings hanging by the fire (good shot), and some say that he actually came down chimneys to fill stockings etc – and still does (without getting dirty!)

In some countries children still receive presents on St Nicholas's Day instead of Christmas. But now Santa Claus has come to represent the spirit of Christmas giving. Parents sometimes say 'If you are good Santa Claus (or Father Christmas) will come, but he won't if you're not.' That's unfortunate, because the real St Nicholas loved children, and told them about Jesus who came with the offer of new life for good and bad alike. And Jesus is God's gift to us all, celebrated and received afresh each Christmas.

I once saw a notice in a shop window: 'Dear Santa, for Christmas I would like a slim figure and a fat bank balance. Please don't get those mixed up like you did last year.'

Despite Covid, the real Christmas cannot be 'cancelled', so however you celebrate it, have a happy one.

David

YOUTH NEWS

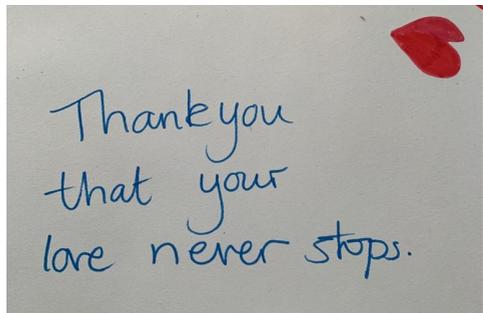

Our weekend at Scargill was filled with fun, laughter, food, fellowship and God's love. We played messy games with custard and ice-cream, spaghetti and marshmallows, outside games with glow sticks, frisbees and footballs, inside games with cups, pingpong balls and After-Eight chocolates! We worshipped each day, asked God

questions, prayed and learnt together about the unstoppable love of God which we can't be separated from...ever!

And the best news of all: 11 young people made a

commitment to follow Jesus; to accept the gift of his love and to begin or recommit to a relationship with Him. Please join me in keeping these young people in your prayers as they journey with God over the coming weeks.

Thank you to everyone who came to the November church parade. It was wonderful to see so many beavers, cubs, scouts, a rainbow, brownies and a guide along with their leaders.

It was lovely to be in church and I look forward to seeing even more young people on 5th December for the traditional Toy Service.

Here are 4th Bilton Brownies on their way into church.

Thank you, **Barn Owl**

North East England's 50th Birthday Challenge Badge

The first Saturday of the half-term holiday saw 13 excited Brownies and 3 Owls from 4th Bilton Brownies head to Hazel House in Ripon for an "Away Day" packed with craft and activities to celebrate the 50th anniversary of our region, North East England.

Activities ranged from learning about Brimham Rocks, designing a sweet wrapper, taste testing different waters and Yorkshire Blue and Wensleydale cheese to making a woolly sheep, a dream catcher, lavender drawer smelly and a lighthouse.

The Away Day weekend did not stop there! Barn Owl was back on the Sunday morning when 15 Brownies from 1st Bilton, 3rd Bilton and 5th Harrogate with 4 Owls came out to Hazel House to do it all over again! It was a great weekend and it was brilliant to see so many girls enjoying themselves and getting back into the normality of going away with Brownies.

(you will need to provide your own orange)

The
Children's
Society

WE ACHIEVED IT!

Our November coffee morning set out to raise £1000 to install a defibrillator at the church hall. The event realised £850, but by the end of the weekend we had reached our target. Thanks to everyone for your fantastic support in so many ways, and to our councillors who have promised to match funding so that we have £2000, which is the total cost of installation etc.

HELP!

The tombola was particularly successful, so we need to collect more items ready for the December coffee morning! (See above) If you have anything suitable, there are boxes at the back of both churches for your contributions. And of course cakes to sell will be welcome on the day, as will you and your friends. We have a very high target to match!

CHRISTMAS DINNER

'I was hungry and thirsty, were you there?'

For most of us, eating together with family and friends is an important part of our Christmas celebrations. Our worry is whether we have bought enough of everything, and we try to make the Christmas meal a festive, joyous occasion for those who join us.

Jesus said: (Matthew 25,40)

'Whatever you did for one of the least of these brothers and sisters of mine, you did for me.'

Will you follow our tradition of laying an extra place for your Christmas meal, for the unexpected guest? And put onto the plate what you would have spent on that meal?

This year our 'unexpected guests' will be the people in Hull who are supported by our Mission Partners Chris and Anna Hembury through the Church Mission Society. They write:

'We live in an area of Hull where people are known for their no-nonsense attitude and honest vulnerability, an area suffering from high unemployment, child poverty, addiction, mental and physical health problems, prostitution and increasing racial tension. People feel a crippling lack of self-worth. But it's an area full of buried treasure, untapped potential and dormant creativity.'

We support a group who are living in a CMS house for mission and serving our local community. We help look after a community garden and a sort of drop in/sofa-church in our neighbourhood. We help run Orts, a sewing collective where women from all walks of life can support each other, learn and create together. We work alongside the Hull Youth for Christ (YFC) team, supporting children, young people and families.'

There will be plates at both churches, or you can put your donation into a labelled envelope and deliver it to church to be included in our Christmas gift.

Comfort

bereavement café

Tuesday 7th December 2.00-3.30pm
@ St John's Church

We know that for some people the festive season can be really difficult, especially those coping with bereavement.

Everyone's experience of grief is unique to them. Comfort is a space in which to be alongside others who are experiencing grief and share the pain of loss.

At Comfort you will find people who listen to you as an individual and respect your story – and they won't be upset if you cry!

Afternoon Tea will be served and there will be the opportunity to light a candle for your loved one.

Come for tea... a warm welcome awaits!

TOY & GIFT SERVICE 5th December

Martin House

children's hospice

Everyone is welcome, especially those in Guiding and Scouting, at this Parade Service.

Please bring good quality used or new toys and games and toiletries which will all go to this Hospice to be sold through the shop on Commercial Street.

The start of the Christmas Giving Season?

CHRISTMAS ECO-TIPS

- Be creative in the gifts you give this Christmas; make sure your desire to be loving is not damaging the environment.
- Buy locally-produced, in-season food and particularly veg if you can, but don't buy more than you need. The shops are only closed for a day or two! Try not to waste food. Be inventive in using up left-overs.
- Take a bit of care unwrapping your presents (it adds to the gift experience!), save the paper and reuse it next year.
- Enjoy the feast of Christmas! Don't forget to recycle as much as you can - paper, card, soft plastic, as well as bottles and plastic. Don't waste unwanted presents; find new homes for them through the charity shop or on ebay.
- Get ready with your environmental New Year's Resolution. How will your care for creation in the coming year?

1st BILTON BROWNIES

Brownie Meeting - 11th October 2024 - Harrogate District Food Bank

At our weekly Brownie Meeting this week we learnt about Harrogate District Food Bank and the work that it does.

Each Brownie brought in a variety of donations that would be donated to the Food Bank. We all learnt about what the Food Bank does and how it helps support people in Harrogate.

We laid out all our donations on a table so we could see what each Brownie had brought. There was a variety of donations ranging from tinned fruit and vegetables, pasta, soups and also toiletries such as Shampoo and Conditioners, Baby Wipes, Shower Gels and also sweets and chocolates.

It was a nice feeling to be able to donate items to people less fortunate than ourselves and know that we would be helping them.

These are some of the facts that we learnt about the Harrogate District Food Bank.

- 21,878kg of emergency food was given to people in Harrogate in 2017.
- 631 children were fed in the last financial year.
- It takes £950 each month to keep the Food Bank running.
- Between April 2019 and March 2020 Food Banks across the UK provided a record 1.9 million supplies to people in crisis. This was an increase of 18% from the previous year.
