

Parish Weekend Away 22 to 24 November 2024

Scargill House, near Kettlewell

<https://scargillmovement.org/>

‘Moving to the Rhythm of Life’

The newly renovated Scargill House, set in 90 acres of wonderful Wharfedale near the village of Kettlewell (about an hour's drive from Bilton) is again the setting for our next parish weekend in November 2024, following wonderful weekends there in 2019 and 2022.

One of the great advantages of going to Scargill is that we will be joining with an existing faith community who make it their aim to serve guests and make their stay a really positive experience.

Our adult programme will be led by the Scargill team, and members of the community will also lead the separate children's work and activities. There will be a good balance of input, free time and opportunities to get to know each other better, and our aim is that we come away from our time together refreshed, encouraged and having grown in fellowship.

Children 8-18 £100

0-4 Free

Family (2A-2C) £475

NB 1 Scargill have a bursary scheme to assist with costs in case of hardship, and help with paying for children and young people is also available via a local charitable trust. The PCC may also be able to help. Hopefully this makes it clear that personal financial circumstances should not be a barrier to any individuals, couples or families wishing to attend. Please email/speak confidentially to one of the clergy for details if you would like to come but cannot afford to pay the full cost.

NB 2 The PCC is also inviting contributions from people who feel they might wish to support the weekend, whether or not they are able to attend, not least because the above prices are being subsidised to make the weekend as affordable as possible.

Payment can be made by cash/cheque/card or via BACS. Details upon request.

Sessions for children and young people

Sessions are usually two 1 hour blocks running alongside the adult programme. Most of the sessions will take place at the top of the house where the children can make use of the art block, games room and den, getting messy and loud, without being in the grown ups way. If the weather is suitable they love to get the young people out enjoying activities on the estate, so make sure you pack suitable clothing and footwear!
